16  Unfold back to step 16.

17  Outside reverse fold.

18  Mountain crease through all layers up to the circled point.

19  Another mountain crease.

20  Rabbit ear on existing creases.
Unfold to step 26.

Crimp.

Fold arm using existing creases, but incorporate a small reverse fold on the top layer only. This will help the model to stand up.

Make soft, rounded creases to finish off.
